

Dimensions/Weight

Overall Dimensions (mm): 90(h) x 580(w) x 500(d)
 Cutout Dimensions (mm): 552(w) x 470(d)

Technical Details

Style

Cooktop Type: Gas
 Category Size: 60cm
 Zones: 4

Functionality

Total Power Rating: 29.5 mj/hr Over Four Burners
 Zone Power Ratings & Size: Front Left - 13 mj/hr
 Front Right - 4.5 mj/hr
 Rear Left - 6 mj/hr
 Rear Right - 6 mj/hr
 Gas Type: Natural/ULPG
 Wok Burner: Yes

Installation

Maximum Current: 10amps
 Connection: 220-240v ~ 50-60Hz
 Installation Type: Flex and Plug
 Warranty: 24 Months Parts & Labour

Aesthetics

Finish: Stainless Steel
 Controls: Knob Control
 Number of Controls: 4
 Control Location: Front Right
 Material of Trivets: Cast Iron Trivets and Burner Caps

Key Features

Flame Failure

All Omega gas tops include a specially-designed flame failure device to cut gas flow should the flame go out. This means little hands can't fiddle with the knobs and fill your home with potentially a harmful gas leak. A piece of design that delivers real peace of mind.

Cast Iron Trivets

Cast iron trivets are heavier and more durable than the typical enamel-coated trivet. This means a more stable cooking surface and less chance of damage to the cooktop. Black cast iron looks great against the stainless steel and is a material that lasts longer. Making it a the savvy gas flame choice.

Wok Burner

More and more moderncuisine cooking methods need instantly adjustable high heat. Choosing an Omega with Wok Burner gives you the power and control for fun and exciting Asian-style cooking. What's more, this powerful gas burner is also perfect for boiling water fast or heating soups and stews quickly and conveniently.
