Lights:	Yes
Storage compartment:	No

Dimensions/weight

Overall dimensions (mm):	940h x 895w x 600d
Total height (mm):	940mm with telescopic legs
Splash guard height (mm):	60mm
Weight:	80kg

Key features	Benefits
Lateral Wok	You will have more space when cooking with multiple pots and pans.
Heavy duty cast iron trivets	These extra heavy cast iron trivets are heavier and more durable than typical enamel coated trivets. This results in a more stable cooking surface and makes it easier to slide pots and pans from one burner to another.
Twin Fan	Twin fans ensure even heat distribution within the oven cavity, they circulate air during the cooking process ensuring no compromise in results.
