Control Type: Concealed Sliding Switch

Key Features

Twin Fascias

This product comes with an 80mm stainless steel fascia panel attached and an optional 40mm fascia panel in the carton, offering you full flexibility depending on your kitchen design and installation requirements.

Carbon Filters

Carbon filters do a superior job of cleaning the air before it re-enters the kitchen, ensuring your kitchen will be smelling fresh.

Front Recirculating

This rangehood will draw the air inside, clean it and expel clean air to your kitchen. As there is no ducting required, this rangehood is very easy to install.
